## **BOOK SYNOPSIS**

Brimming with gorgeous photos and witty text, this elegant book celebrates London's most renowned and historic pubs. For centuries the pub has been an essential part of London's cultural and social fabric. This beautifully illustrated book takes readers through the doors of 25 historically and architecturally significant London pubs. Through photographs specially commissioned for this project, readers can explore these institutions--from snob screens to 400-year-old flagstone floors. Engaging texts highlight what makes each pub so special; their place in London's history, the personalities who have frequented them, the events that occurred inside, and the ways pubs have contributed phrases such as "on the wagon" and "one for the road" to the modern lexicon. This book reveals why The Lamb and Flag in Covent Garden earned the nickname the "Bucket of Blood", and features a pub that Charles Dickens described as a "great rambling queer old place". Furthermore, the book muses over the chances that Casanova paid a visit to The Dog and Duck in Soho, and uncovers the location of Charles De Gaulle's favorite wartime watering hole. These and other amusing anecdotal histories make this fascinating and luxuriously illustrated book a must-have for anyone with a love for the good old London pub.

**GREAT PUBS OF LONDON** - Are you looking for Ebook Great Pubs Of London? You will be glad to know that right now Great Pubs Of London is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
