## BOOK SYNOPSIS

A fully annotated, modern-spelling version of the Quarto (1608) and Folio (1623) texts of King Lear, re-examining the continuing textual and bibliographical debate on the relationship between the two texts. The two versions are printed in parallel on facing pages and on-the-page annotations identify and elucidate their major differences.

**KING LEAR PARALLEL TEXT EDITION** - Are you looking for Ebook King Lear Parallel Text Edition?
