BOOK SYNOPSIS

The slow cooker, or "Crock Pot" as it is commonly referred to, is well known for its delectable pot roasts and savory stews, but what is less known is that it is capable of so much more. Enter bestselling author John Chatham's latest creation, The Slow Cooker Cookbook, which features over 100 recipes that will put your slow cooker to use from breakfast to dessert. This cookbook offers recipes for all the traditional comfort food favorites like pot roast, beef stew, pulled pork, BBQ baby back ribs, old fashioned meatloaf, butternut squash soup and even mac n cheese. Imagine your home filled with the spicy aromas of Tandoori Chicken, Chicken Ranchero Enchiladas or Braised Asian Beef. Dozens of international recipes feature meals you never dreamed of actually making yourself. And with the slow cooker doing all the work you will feel as though you are dining out. Sounds appealing, but you don't eat meat? The Slow Cooker Cookbook dedicates an entire chapter of recipes to fish and seafood, and is filled with numerous hearty vegetable dishes like White Bean and Rosemary Soup, Eggplant Parmesan and Vegetarian Cassoulet. And if slaving over the stove is your passion then most likely you're not the baking type. Let the slow cooker make dessert. From fruit crumbles and cobblers to hot fudge cake there's virtually no recipe that this cookbook doesn't offer. Bonus sections include: "Guide to Entertaining" and "Basics of a Slow Cooker Pantry"
