## **BOOK SYNOPSIS**

Eternal love and unrelenting passion. This is what Kathrina finds in the arms of an ancient vampire. Unfortunately, dark and dangerous takes on a whole new meaning with this vampire lover, especially for Kathrina. He needs her blood. Tears of the Vampire is the fourth and final book in the Immortal Destiny Series. Kathrina is the third immortal sister and she has possession of the Book of Anu, the journal of the worlds oldest and most powerful vampire. While reading this journal she becomes obsessed with the vampire and determined to find out who he is, but she doesnt have to look far. The vampire is much closer than what she realizes. He has heard the calling of her blood and has come to claim what is his, but neither of them is prepared for the uncontrollable passion that is unleashed when they come together. Kathrina is convinced that the information in the journal can help the immortal sisters defeat their uncle and win the final battle between good and evil, but what she doesnt know is that there is an evil at work that is far more powerful than anything she could ever have imagined. Their only hope may be her vampire lover and the secrets he has kept from the world since the dawn of mankind.
